Motorola DROID MAXX 2 Support | Verizon

Ive had my Droid Global for about 2 months now and my phone will stop receiving text and calls every once in awhile till i restart it then everything flows in except for missed calls. Could this have anything to do with the mode I have my battery on? I always have my battery on maximum battery saver.

Correct Answer: Droid 2 Global question - Verizon Community

I have had my first Droid Global for about 5 months. Then it started acting up. I could not hear the ear piece started cutting out on me. The only way I could have a conversation, was using the speaker phone. I took the battery out and even factory reset it. No help. Called Verizon got a "new" one.

I've only had my Droid 2 Global since early January 2011, but I have lost volume on incoming calls twice. The speaker is also dead when I have this problem. Both times that it happened, I was able to clear the problem by turning the unit off, then on. If it happens a third time, I guess I'll return it to the store.
